### BUILDING/ZONING PERMIT APPLICATION REQUIREMENTS

#### TENT SALE

##### REVIEW REQUIREMENTS - ZONING PERMIT:

1. Submit a completed Permit Application form.
2. Provide a site plan showing the location of the tent in relation to parking and existing structures.

##### GENERAL CONSIDERATIONS:

1. Exit signs shall be installed per the 1988 Life Safety Code, 9-2.10, and 26-2.10.
2. Lights shall be field verified as installed. A minimum of 1 foot candle in the means of egress is required.
3. The new Americans With Disabilities Act has been passed by the Federal Government. Regulations and issues specific to this new federal law have not been addressed within the scope of this Fire Department review.
4. No smoking signs shall be posted so as to be visible from all areas of the tent.
5. Portable fire extinguishers shall be maintained within a 75 foot travel distance.
6. Provide a minimum of two means of egress from the tent.
7. All tent anchors shall be covered to prevent injury. Additionally, a minimum distance of three feet from the exit areas and anchoring ropes shall be maintained to prevent a tripping hazard.
8. Use of, or interference with, handicap parking is not authorized under any circumstance.
9. Contact the Lebanon Fire Department for further restrictions according to the Fire Code, 448-8810.
10. Temporary electrical wiring in tents including the use of extension cords shall be inspected for code compliance by the City electrical inspector prior to the event. Call the Building Department at 603 448-1524 to schedule the inspection. Wiring, lights and equipment serving tents shall be installed in accordance with National Electrical Code Articles 525 and 590 for tent and temporary wiring.
